Art, Culture, & Music Diary: Ray Sell - Raise 'Em To Be Cowboys

We found the [Leo Kesting Gallery](#) one day by accident. We liked the vibe there and the abundance of cute boys . A new show goes up on Thursday June 19th. It looks like a good one. Ray Sell's work celebrates the hey day of the man's man, men on horses packing pistols, hot rods manuals, and pin up babes. Sponsored by [Kelso of Brooklyn](#).
